### **DETAILED ACTION**

1. Claims **63-66** are pending and this application has prevailed in the interference proceedings based on Final decision by the Board of Interference filed **5/29/2003**. Thus, this case is now ready in condition for allowance and issuance.

In addition, the claims are allowable over prior arts of record for the reasons stated below.

### **REASONS FOR ALLOWANCE**

2. The following is an examiner's statement of reasons for allowance:

The prior arts of record fail to teach or fairly suggest a flash memory storage device having plurality of physical sectors with physical addresses converted from a logical address conversion means, wherein said logical address conversion means converts a logical address received in the writing operation to the physical address which is different from the physical address to which said logical address conversion means converted a logical address, identical to the logical address to be presently converted, in a preceding writing operation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
